D.O. PB-06/3/2022-PBI-DOP-Part (4)

9th November 2023

Dear Shri Giridhar,

As you may be aware, India Post Payments Bank (IPPB) is providing Jeevan Pramaan services for the benefit of pensioners. IPPB has engaged with Department of Pension and Pensioners Welfare (DoPPW) for extending the Jeevan Pramaan services- Digital Life Certificate to the doorstep of the pensioners.

2. These services are based on Aadhaar enabled biometric authentication and are very convenient for the pensioners. This also reduces the time taken in issue of Jeevan Pramaan certificates. Till date more than 11 Lakh pensioners have availed the IPPB DLC services for submitting life certificates.

3. I would request your kind intervention to promote the use of DLC services provided by IPPB for pensioners of your Department.

with festive greetings
regards,

Yours sincerely,

Vineet Pandey
(Vineet Pandey)

Shri. Aramane Giridhar
Secretary, Ministry of Defense
Room No. 100, South Block

Digital Life Certificate for Pensioner

Digital Life Certificate (Jeevan Pramaan) is a biometric enabled digital service for pensioners. Pensioners of central or state government, Employees' Provident Fund Organisation or any other government organization whose pension disbursing agency is live for DLC can take benefit of this facility. They need not visit the office of disbursing agency for physical submission of life certificate and instead may use the Aadhaar enabled biometric authentication mechanism to generate DLC.

Leveraging the extensive postal network of Department of Posts (DoP), India Post Payments Bank (IPPB) with its unique ability to deliver services at the doorsteps of the pensioners in an assisted mode, is now facilitating the generation of DLC based on the integration with application designed and maintained by National Informatics Centre (NIC), Government of India.

About DLC Services

- This service is available for IPPB and non-IPPB customers.
- To avail DLC service, a customer can contact the nearest post office or place a request for a doorstep visit by the postman/Grameen Dak Sevak. Department of Posts have also enabled scheduling of doorstep request through the

Post Info app or through the website "<http://ccc.cept.gov.in/covid/request.aspx>" To Book Doorstep Request through India Post, ***Click Here***

- Issuance of DLC is a completely paperless, seamless and hassle free process, and the certificate is generated instantly.
- On successful completion, a Pramaan ID is generated that is shared with pensioner by NIC directly.
- Once the Pramaan ID is generated, pensioners may download the DLC through the link <https://jeevanpramaan.gov.in/ppouser/login>.
- For every successful generation of DLC, a nominal fee of Rs. 70 (inclusive of GST/ CESS) will be charged.
- There will be no doorstep charges levied for IPPB or non-IPPB customers for issuance of DLC.

Important Points

1. Pre-requisites for generating DLC:

- - Pensioner must have an Aadhaar number
 - Pensioner must have an existing mobile number
 - Registration of the Aadhaar number with pension disbursing agency (bank/ post office etc.) should be done already

- Pensioner should also keep the following details handy**:
 - Type of pension
 - Sanctioning authority
 - Disbursing agency
 - PPO number
 - Account number (pension)

** In case the pensioner has got the DLC generated in the previous years, then these details are auto-populated.

2. Request for Door Step Banking is available for all pensioners whose pension disbursing agency is live on DLC. List of sanctioning authorities & disbursing agencies are available on <https://jeevanpramaan.gov.in/misc/circular>
