#### **PART V – EVALUATION CRITERIA & PRICE BID ISSUES**

1. **Evaluation Criteria** - The broad guidelines for evaluation of Bids will be as follows:

(a). Only those Bids will be evaluated which are found to be fulfilling all the eligibility and qualifying requirements of the four parts of the RFP.

(b). The Lowest Bid will be decided upon the lowest price quoted by the particular Bidder as per the Price Format given at Para 2 below. The consideration of taxes and duties in evaluation process will be as follows:-

(i). In cases where only Indian Bidders are competing, L-1 bidder will be determined by excluding levies, taxes and duties levied by Central / State / Local governments such as GST, excise duty, VAT, Service tax Octroi / entry tax, , etc on final product, as quoted by bidders.

(ii). The item wise quote alongwith loading factor if any, will be added and the total will be calculated. Based on the calculation, contract will be awarded to the least quoted firm.

(iii) The lowest bidder will be decided for overall lowest quote of all items listed as per Para 2 below (i.e. Price Bid format) (The lowest bidder will be decided by adding the total amount of approx qty of items).

(iv) L-1 will be decided based on the package price (i.e., L-1 will be determined on the basis of the total of basic prices of all items mentioned at para 1, part-II essential details of items required of RFP). After determining L-1 in this manner, negotiation will be held with that firm in respect of items for which rates quoted by the firm are higher than those quoted by other vendors. In such cases negotiation will be done with reference to the lowest bid for that item(s). In case the L-1 vendor does not reduce his price reasonably for high value item(s), possibility of concluding a fresh contract by issuing separate RFP for such item(s) will be considered.

(c). If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price will prevail and the total price will be corrected. If there is a discrepancy between words and figures, the amount in words will prevail for calculation of price.

(d). The Lowest Acceptable Bid will be considered further for placement of contract / Supply Order after complete clarification and price negotiations as decided by the Buyer. The Buyer will have the right to award contracts to different Bidders for being lowest in particular items. The Buyer also reserves the right to do Apportionment of Quantity, if it is convinced that Lowest Bidder is not in a position to supply full quantity in stipulated time.

(e). Any other criteria as applicable to suit a particular case.
