caused, occasioned or contributed to in whole or in part, or claimed to be caused, occasional or contributed to negligence whether active or passive of the Guest, or of anyone acting under its direction or control.

18. Force Majeure: Neither party shall be liable for any future or delay in its part in performing under this agreement if such failure or delay is due to "force majeure" conditions in whole or in part such as strikes, damages to the vehicle, direct or indirect acts, regulations or orders including restrictions and other licenses imposed by the government wars, riots, fire, floods, earthquakes, and other acts of god or of the public enemy. The party affected by such force majeure condition shall forthwith notify the other party of the nature and extent thereof and shall make best efforts to mitigate such condition. However, if the force majeure condition in question prevails for a continuous period of fifteen (15) days, the parties shall enter bona fide discussion with a view of alleviating its effect on this agreement by such alternative arrangement as may be fair and reasonable.

We request you to kindly acknowledge this contract with an acceptance of rates, Payment Terms, cancellation policy and return by signing & company stamp on each page of this contract in agreement of the same for our records.

Thanking you
