Secretary also emphasized that CGBA is not commercialized and has no role akin to banking sectors. Also, the formula for EMI calculations of CGBA loan is same as formula of calculation of Govt. HBA and car loans.

Investments / reinvestments of CGBA funds on a regular basis are undertaken accordingly with balance fund after disbursement of loans. **ITEM VI – GRANT / LOAN FROM CGBA FOR SPECIAL MEDICAL TREATMENT**

28. A grant of ₹ 3,00,000/- may be considered for individual and dependents for life threatening disease like heart, kidney, liver and eye transplants where surgery is not undertaken by military / Service hospitals.

**Proposed by**: RHQ(E)

29. The CGBA loan for treatment as of now is upto ₹ 3 lakh, but requires endorsements by MH/Service Hospital. There have been cases where the service hospital are not available and hence getting the case recommended by such hospitals is not feasible. Also, there may be cases of going for second opinion from private hospital in cases of acute illness after initial treatment at service hospital. It is a loan and not a grant, hence recommendations by CGRHQ / RMO should be considered sufficient to consider such loans.

**Proposed by**: RHQ(W)

All Special Medical Treatment cases are referred to CGHQ on recommendations through respective RHQ. In the event of individuals applying for this loan for treatment at Civil Hospital for self or family without any referral from MH/CH, would lack checks and balances.

31. PD (MS) further explained that during emergency situation treatment can be availed at Civil hospitals and the expenditure / medical claim may be reimbursed from CDA(N).

It is therefore, requested that education loan of ₹ 25,00,000/- (Rupees Twenty five lakhs only) may be introduced for wards desirous of studying abroad in prestigious institutions in line with similar loan extended by INBA w.e.f the current year.

**Proposed by**: RHQ (NE) RHQ (W)
