Dear Sir,

On behalf of ITC Hotels, we take this opportunity to express our gratitude to you for your patronage over the years and look forward to your continued support. We endeavour to provide your travellers with a comprehensive hospitality solution through our unique brand experiences - ITC Hotels, Mementos, Welcomhotel and Storii.

Symbolised by our distinctive 'Namaste' logo, ITC Hotels integrates hospitality with globally benchmarked services, delivered through a unique proposition – "Responsible Luxury". Each hotel draws inspiration from the historical and cultural ethos of the region it inhabits and is committed to operating at the highest standards of sustainable business practices. Responsible Luxury is where world-class experiences address the needs of well-being and safety through responsible practices that are in harmony with the environment and society. Testimony to this comes from the fact that the world's first 12 LEED Zero Carbon-certified hotels and the world's first 2 LEED Zero Water-certified hotels are all ITC Hotels.

The Welcomhotel brand offers a collection of 24 premium hotels spread across India, designed for those who demand more and seek curated experiences. From personalised journeys that enhance leisure trips to those that maximise the efficiency of business stays, every effort is made to add more value for the contemporary traveller.

Drawing from ITC Hotels' commitment toward Responsible Luxury, Welcomhotel takes pride in having six of its properties LEED Platinum-certified as well, along with Welcomhotel Bengaluru being the fourth hotel in the world to receive LEED Zero Carbon certification. The remaining properties under Welcomhotel are working towards energy efficiency, water conservation and reuse, environment-friendly business and operation practices and local community development.

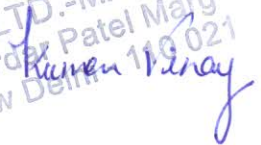

Every year, we aim to add experiences that will allow you to explore India like never before. We're delighted to share that ITC's Hotel Group has launched two new and distinct brands in the past year – Mementos and Storii.

In the luxury lifestyle segment, Mementos by ITC Hotels brings together a collection of unique hotels across varied destinations, ranging from modern marvels and hidden retreats to historic treasures. Every hand-picked property along with a team of specialised service professionals curates distinct encounters that bring alive richer insights, unexplored flavours, differentiated vistas and inspired back stories. The brand launched its first hotel in Udaipur - Mementos Ekaaya, nestled in the lap of the lush Aravali Hills. The 117 villas and suites of the resort offers breath-taking views of an unseen Udaipur.

Storii by ITC Hotels is a collection of thoughtfully curated boutique properties, designed to satiate the ever-evolving needs of the global traveller. Comprising intimate-sized properties in the boutique segment, you will find Storii at both frequented and unexpected destinations, offering bespoke services and immersive, atypical experiences.
