

**FROM THE DESK OF PRESIDENT TATRAKSHIKA**  
**MESSAGE ON TATRAKSHIKA DAY 2022**

At the outset, I congratulate and appreciate the efforts of all Tatrakshikas of the Coast Guard community on the occasion of 28<sup>th</sup> Anniversary of Coast Guard Wives Welfare Association.

It has always been a matter of great pride and honour to be a part of this vibrant Organisation. Being at the helm, it gives me immense happiness that CGWWA family has always stood tall since its inception and is growing progressively with each passing year.

CGWWA has come a long way and contributed to the society through continuous efforts towards women empowerment, education, health care, social welfare and environmental protection. These efforts of our Tatrakshikas have ensured that the organisation is always in consonance with its motto of 'Self Help'.

With the essence of India@75 in the backdrop let us continue to work tirelessly and re-dedicate ourselves in positively impacting and augmenting the society and the nation at large. I also express my gratitude and appreciation to all Tatrakshika members for their continued and unprecedented support to the 'Men in Whites'. Indeed, each one of you deserves a praise for sparing your valuable time and actively participating in all the activities of Tatrakshika.

On this momentous day, let us acknowledge the contribution of our predecessors who nurtured us as a family and brought the organisation to its present form. My heartfelt gratitude to Tatrakshika Presidents of Western and Eastern Seaboards, Regional Presidents and all distinguished members of CGWWA for their unrelenting support and contribution in the year gone by. Let us persevere for a better care to the Coast Guard families with dedicated efforts and vow to make this organisation reach newer heights.

I wish all members of Tatrakshika and their families' good health, happiness and prosperity in the times to come.
