MESSAGE

A glance at the years gone past that witnessed phenomenal growth from a seven ship force to present day forte of 158 ships, 70 aircrafts, 42 ashore stations and 11 air establishments accentuates dedication, determination and diligence to the force of every Tatrakshak. Our roles, responsibilities and missions have also increased multitude from the formative years. The force has especially grown by leaps and bounds since 2009 and is reckoned today as the fourth largest Coast Guard of the world. Our never-failing attitude continues to protect the Nation from threats delivered from sea, those on the sea and the sea itself.

The spate of achievements during the year 2021 underlines our commitment, mission readiness and prowess in execution. The rescue of 488 lives at sea, preventive measures for frequenting cyclones, drug apprehension and being saviours for neighbouring countries in their hour of distress were highpoints of operations. This operational primacy is attributed to the indomitable spirit of our surface and air assets manned and maintained by able Tatrakshaks, who overcame every hardship, placed service before self and braved dynamic situations to respond to any maritime challenge.

Coastal and Offshore Security has remained a focus area and we continue to collaborate with all stakeholders to ensure a rock-solid stance to face any imminent threat and future challenges. Steering the chartered course of building rapport for sharing intelligence, pooling of resources and creating mechanism for enhanced coordination will undoubtedly be the key factor in future operations and an ever-increasing complex maritime environment.

I am sure we will continue to faithfully serve and stand a taut watch in our tryst of keeping National interests in nation's maritime zones at the forefront, ensuring safer and secure seas as enshrined in our motto “**Vayam Rakshamah**”.
