INTRODUCTION

1. India has a significant maritime sector with 12 Major Ports and over 200 Non-Major Ports along its 11,098 Kms coastline which is integral to India's economic development, facilitating both domestic and international trade. This network of trade through the Maritime Zones of India is crucial, and thus, mandates constant monitoring.
2. On the occasion of 78th Independence Day, Indian Coast Guard organised nationwide events/ activities including Tiranga March and distributed flags to school children in Coastal areas under 'Har Ghar Tiranga' movement for promoting the national fervour and patriotism. In addition, 'Run for Unity', Walkathon, and Bike Rallies were also conducted in different locations.
3. Post major landslide at Meppadi Village, Wayanad District, Kerala, ICG along with other agencies participated in HADR for rescue and relief operations.
4. The details of ICG operational activities undertaken since last monthly report are enumerated in this report.

MAJOR OPERATIONS

SEARCH & RESCUE

COOPERATION WITH FOREIGN MARITIME AGENCIES

COASTAL SECURITY/ SURVEILLANCE

FISHERIES & ENVIRONMENT

MISCELLANEOUS

MEDIA COVERAGE

MAJOR OPERATIONS

A. Relief and Rescue Operations during major Landslide at Wayanad, Kerala (Op Sahayata-02/2024).

On 30 Jul 24, ICG launched operation 'Op Sahayata 02/24' to provide assistance during major landslide at Meppadi Village, Wayanad District, Kerala. ICG ALH MK-III and Disaster Relief Teams (DRTs) assisted in search and evacuation of stranded persons/ recovery of deceased bodies. Additionally, ICG teams also distributed life-saving equipment, relief stores/material, medicines and freshwater in the affected areas.

Relief and Rescue Operations during Landslide at Wayanad, Kerala

B. Seizure of 75 Kgs Kendu Leaves near IMBL.

On 01 Aug 24, ICG unit on patrol sighted a suspicious boat near 4th Island (Indo-SL Adam's Bridge) heading towards Sri Lanka. On being chased by ICG unit, the boat threw some packages overboard and crossed through 5th Island/ IMBL. Subsequently, ICG unit went to investigate the discarded packages and recovered 75 Kgs Kendu Leaves worth 5.35 Lakh.

Seizure of 75 Kgs Kendu Leaves near IMBL

MAJOR OPERATIONS

C. Seizure of 13 Kgs Kendu Leaves near IMBL.

On 13 Aug 24, ICG unit on patrol seized 21 packets of Kendu leaves (deteriorated condition) weighing 13 Kgs that were found unattended on 1st Island, about 3 N miles south-east of Dhanushkodi. However, no fishing boat/ vessel was found in the area. The seized item was handed over to marine police.

Seizure of 13 Kgs Kendu Leaves near IMBL

D. Seizure of 450 Kgs Sea Cucumbers (North Thonithurai Sea Shore).

On 20 Aug 24, ICG team apprehended an Indian Fishing Boat (Regn No. IND-TN-11-MO) north of Thonithurai Sea Shore and 29 bags containing 450 Kgs of raw Sea Cucumber worth 1.80 Crores were seized. The seized items were handed over to Department of Fisheries.

Seizure of 450 Kgs Sea Cucumbers (North Thonithurai Sea Shore)

A. Medical Emergency Onboard Indian Fishing Boat S Vetri (IND-TN-06-MM-7482).

On 27 Jul 24, AD Fisheries, Nagapattinam requested ICG for medical evacuation of a crew from IFB S Vetri. The IFB was operating in position 196 N miles North-East of Krishnapatnam. On receipt of information, ICG Ship Veera was diverted to render necessary assistance. On arriving at boat's location, ICGS Ship embarked the patient along with one attendant. The patient was handed over to Fisheries Authorities for further medical management.

Medical Emergency Onboard Indian Fishing Boat S Vetri

B. Medical Emergency Onboard MT Limra (IMO - 9158240).

On 28 Jul 24, Designated Person Ashore (DPA) of the vessel requested ICG for medical evacuation of Sri Lankan crew in position 43 N miles of South West of Kochi. The patient was unconscious with very low pulse as the crew was trapped in engine room when the fire incident occurred onboard the vessel. On receipt of information, ICG Ship Abhinav was diverted for medical evacuation. Additionally, ICG ALH was also launched. The patient was airlifted and admitted at Kochi for further medical management.

Medical Emergency Onboard MT Limra

C. Medical Emergency Onboard Indian Fishing Boat Sengalamman (IND-TN-02-MM-2505).

On 06 Aug 24, AD Fisheries, Chennai requested ICG regarding medical evacuation of a crew from IFB Sengalamman in position 98 N miles South-East of Vakalapudi, Andhra Pradesh. The patient had suffered second degree burns. On receipt of information, ICG Ship Samudra Paheredar was diverted to render necessary assistance and evacuation. On 07 Aug 24, the patient was embarked by ICGS Samudra Paheredar onboard ICG Ship C-430 for onward passage to Kakinada. The patient was received by Fisheries Authorities, Kakinada for medical management.

Medical Emergency Onboard Indian Fishing Boat Sengalamman

D. Medical Emergency Onboard MV Olympia GR (IMO – 9817523).

On 08 Aug 24, ICG received an information regarding medical evacuation of a Philippino crew from Marshall Island flagged vessel Olympia GR in position 130 N miles North-West of East Island, A&N Islands. The patient sustained severe crush injury on left hand thumb. On receipt of information, ICG Ship C-428 was deployed to evacuate the patient. Subsequently, the patient was embarked onboard ICG C-428, and was shifted to GB Pant Hospital, Port Blair for further medical management.

Medical Emergency Onboard MV Olympia GR

E. SAR Efforts for 02 Persons Drowned at Bakkhali Beach, West Bengal.

On 11 Aug 24, ICG received an information from Coastal Police Station, Frazerganj regarding drowning of 02 persons at Bakkhali Beach. On receipt of information, Air Cushion Vessel (ACV) H-186 was launched for search of missing persons. Extensive search resulted in recovering bodies of both missing persons, which were handed over to local Coastal Police Station, Frazerganj.

F. Towing Assistance to IFB Angel.

On 23 Aug 24, ICG received an information regarding engine breakdown onboard IFB Angel alongwith 09 crew in position 43 N miles South East of Diu Head. ICG Ship Rajratan was deployed to render necessary assistance. Ship's technical team boarded the IFB. However, repairs at sea proved futile. Subsequently, ICG Ship towed the disabled IFB to Pipavav, wherein, IFB alongwith crew was handed over to Fisheries Association, Pipavav.

COOPERATION WITH FOREIGN MARITIME AGENCIES

A. Virtual Meeting on Capacity Building by ReCAAP ISC.

On 07 Aug 24, ReCAAP ISC conducted the Capacity Building Virtual Lecture-01/2024. A lecture on “Maritime Terrorism Nexus to Piracy and Sea Robbery Incidents” was delivered by Prof. Amparo Pamela Fabe, a Filipino Faculty Member at the Armed Forces of the Philippines Education Training and Doctrine Command and at the Philippine National Police College. One ICG officer participated in the meeting.

B. SEACAT Exercise-2024.

South-East Asia Maritime Security Senior Leader Forum and 22nd edition of SEACAT exercise was conducted by U.S. Navy in Singapore from 12-13 Aug 24 & from 12-16 Aug 24. One ICG officer participated in the ashore phase of the exercise.

SEACAT Exercise-2024

C. OSD of Indian Coast Guard Ship Sujay to East Asia.

ICG Ship Sujay with integral helicopter has been deployed to East Asia countries namely, Indonesia and South Korea from 17 Aug 24 to 27 Sep 24 for professional interactions and joint exercises with Coast Guard of visiting countries. On 21 Aug 24, ICG Ship arrived at Jakarta, Indonesia and engaged in professional interactions, joint training and community activities with BAKAMLA. Highlighting the

COOPERATION WITH FOREIGN MARITIME AGENCIES

importance of 'Women in Maritime Security', two women ICG officers are also embarked onboard and are participating in various joint exercises and interactions. The visit highlighted India's commitment to maritime cooperation and align with vision SAGAR. In addition, 10 NCC cadets are embarked under the overseas exchange programme towards promoting Gol's initiative of "Puneet Sagar Abhiyan." Activities like Yoga session and walkathon are also undertaken. On 23 Aug 24, ICG ship departed for Republic of Korea.

OSD of ICGS Sujay to Indonesia

D. Participation in Regional Round Table and System Analysis Exercise.

Regional Round Table and System Analysis Exercise on Mapping Drug Trafficking Networks in the East Indian Ocean was conducted by UNODC at Colombo, Sri Lanka from 27 to 30 Aug 24. One ICG officer participated in the exercise.

Participation in Regional Round Table and System Analysis Exercise

COASTAL SECURITY/ SURVEILLANCE

A. Coastal Security Exercises and Operations.

Under mentioned Coastal Security Exercises and Operations have been conducted towards heightened coastal security in coordination with Marine Police, Navy, Customs, CISF, Fisheries, Forests and other stakeholders for enhancing coastal security mechanism:-

Ser	Conducted By	Name of Exercise/ Operation	Dates
(i)	Regional HQs (E)	Op Sentinel	14-16 Aug 24
(ii)		Op Chaukas	17-18 Aug 24
(iii)	Regional HQs (NW)	Op Trigger	14-16 Aug 24
(iv)	Regional HQs (W)	Op Trigger	14-16 Aug 24
(v)	Regional HQs (NE)	Op Sentinel	14-16 Aug 24
(vi)	Regional HQs (A&N)	Ex Sagar Kavach (Table Top)	30-31 Jul 24
(vii)		Op Sajag	22 Aug 24

B. Surveillance by CSN - Aug 24.

CSN network has monitored distinct 7,888 AIS contacts in the month of Aug 24. A total of 2,880 vessels were investigated by ICG ROCs. The traffic pattern is depicted below:-

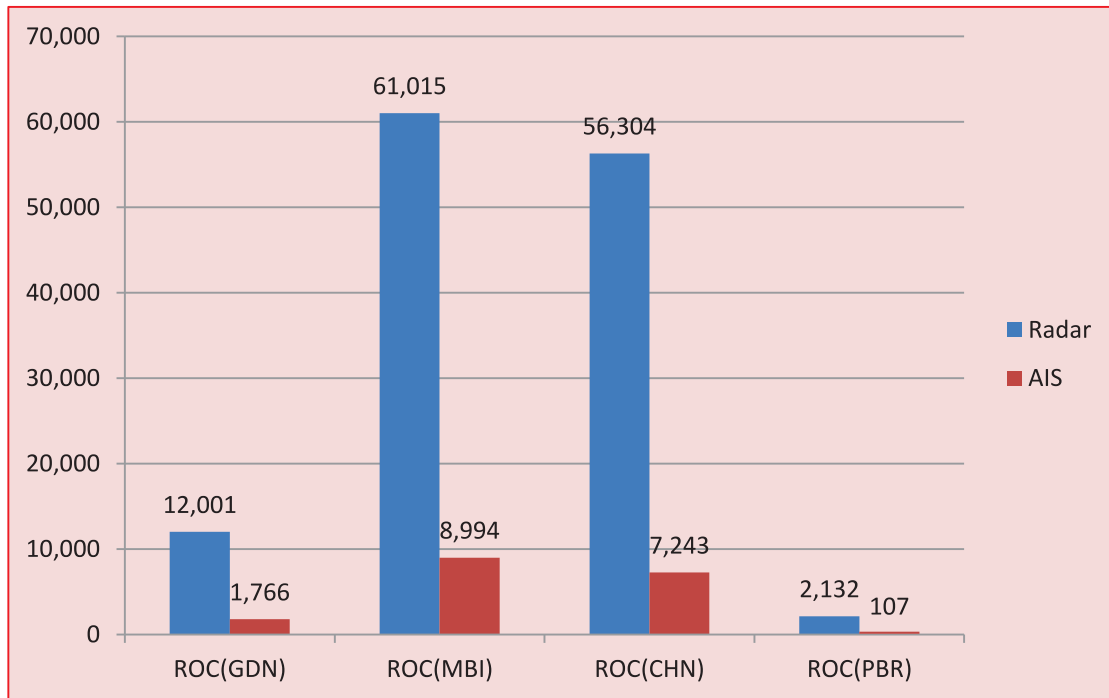

Fig-1 : Radar & AIS Contacts Monitored by Remote Operating Centers

COASTAL SECURITY/ SURVEILLANCE

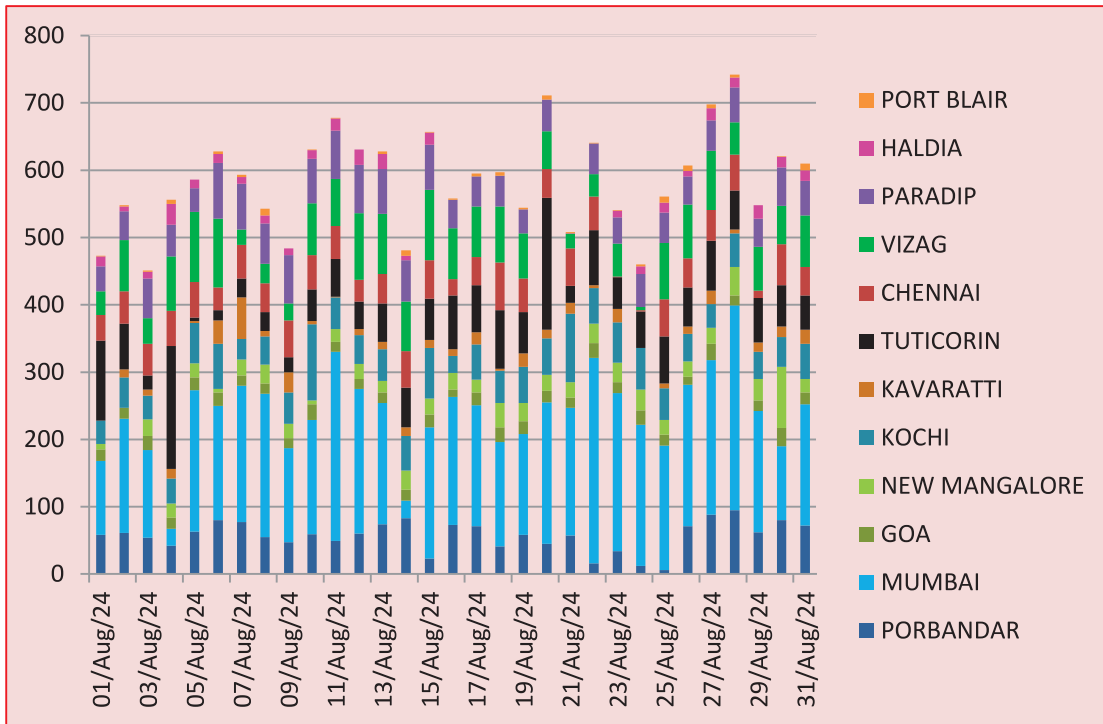

Fig-2: AIS Tracks Monitored at Remote Operating Stations

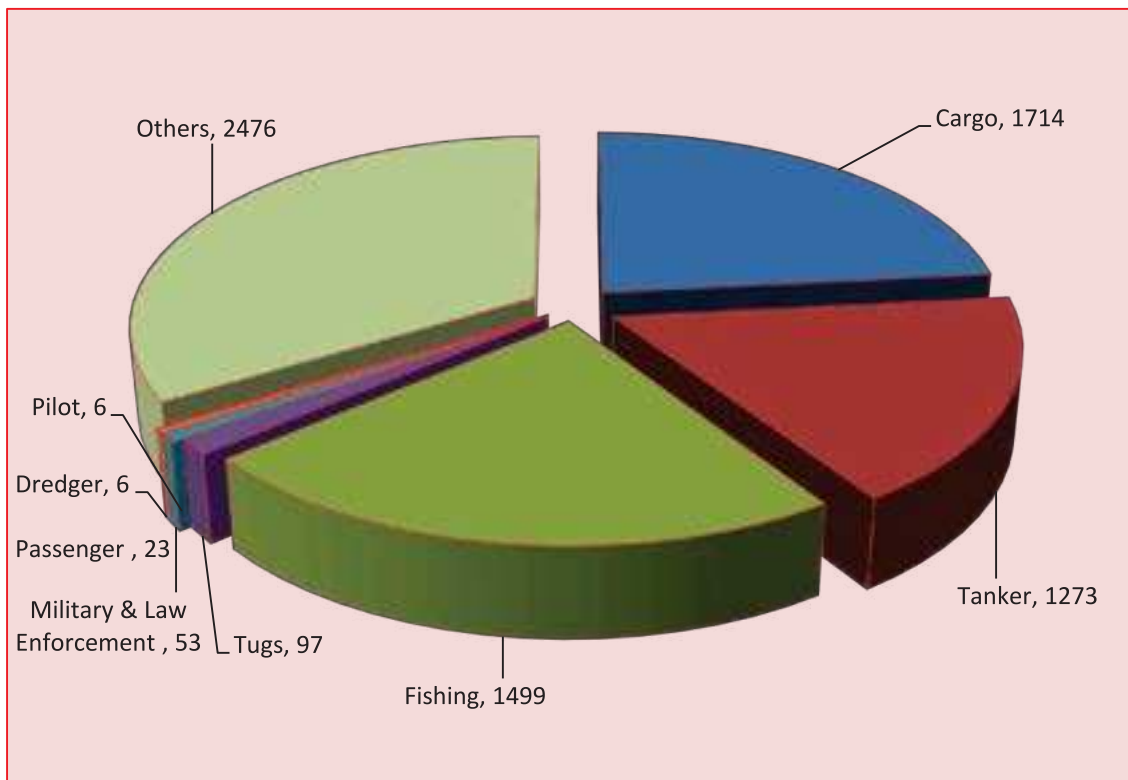

Fig-3 : Type of Vessels

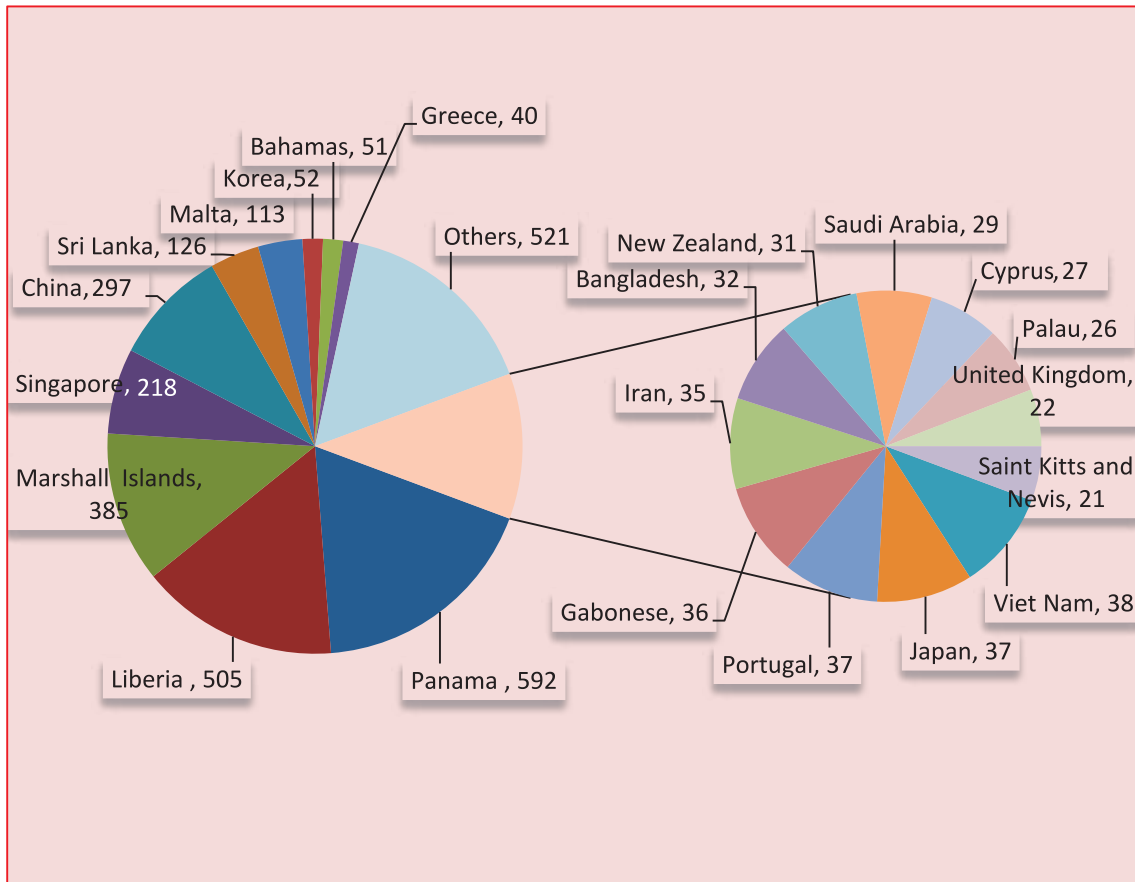

Fig-4 : Flags of Vessels

C. Fishing Activities in Northern Indian Ocean - Aug 24.

A total of 657 Fishing Vessels (FVs) were observed transmitting on AIS in Northern Indian Ocean during the month of Aug 24. The analysis of fishing activities is based on kinematics such as low speed. The data towards numbers of FVs have been garnered from AIS transmissions. However, the actual numbers of FVs may be higher than the reported data as many FVs may not be transmitting on AIS. The area-wise analysis of FVs operating in Bay of Bengal & Arabian Sea (beyond EEZ) and Indian EEZ for the month of Aug 24 is as follows:-

- (i) **Arabian Sea (Beyond EEZ).** A total of 29 FVs were observed transmitting on AIS and appreciated to be engaged in fishing. All FV's are of Sri Lanka flag. All FV's arrived in Arabian Sea in end Aug 24. No FV of India and Pakistan was observed transiting on AIS during the period.
- (ii) **Indian EEZ.** A total of 578 Indian flagged FVs were observed transmitting on AIS. Majority of FVs were observed operating on west coast of India.
- (iii) **Bay of Bengal (Beyond EEZ).** A total of 50 FV's (35 Sri Lankan and 15 Indian) were observed transmitting on AIS and appreciated to be engaged in fishing.

A. Maiden OPRC Level-1 & 2 Training for FFCs at RMPRC.

On 18 Aug 24, the Regional Marine Pollution Response Centre (RMPRC), Chennai was inaugurated by Hon'ble Raksha Mantri Shri Rajnath Singh. The maiden OPRC IMO Level 1 & 2 training of Foreign Friendly Countries (FFCs) was conducted at RMPRC, Chennai from 19 to 30 Aug 24. A total of 14 participants from 07 ASEAN Countries participated in the course. The training programme included both theoretical and practical aspects. Training plan was designed in a manner to provide wide exposure towards operation and maintenance of equipment. Theoretical sessions of training were conducted through Power Point Presentation which also included audio/video clippings for better appreciation of Pollution Response equipment operations.

Maiden OPRC Level-1 & 2 Training for FFCs at RMPRC

B. PR Seminar/ Workshop at CGDHQ-4, Kochi

Pollution Response Seminar/ Workshop was conducted from 21 to 22 Aug 24 at Kochi, wherein, representatives from Ports, Oil handling agencies, INCOIS, CSIR-NIO, KSPCB, CMFRI, FSI, KSDMA, KMB and State/ District admin authorities in AoR of ICGS Kochi actively participated to validate the SOPs of all resource agencies and stakeholders in Oil spill response capabilities. A total of 60 participants from stakeholders and 60 ICG Officers & EPs actively participated in the said PR Seminar/ Workshop. The presentation covered introduction to Indian Coast Guard, PR capabilities of ICG, introduction to National Oil Spill Disaster Contingency Plan (NOS-DCP), duties and responsibilities of all stakeholders towards oil spill contingency and formation of Crisis Management Group (CMG).

PR Seminar/ Workshop at CGDHQ-4, Kochi

C. PR Workshop/ Mock Drill at CGDHQ-10, Campbell Bay.

To strengthen the PR capabilities at the southernmost frontier of Indian Coast Guard DHQ-10, Pollution Response Workshop and mock drill were conducted from 23 to 24 Aug 24 at Coast Guard District Headquarters No. 10, Campbell Bay, wherein, representatives from Marine Police, Forest Department, Fisheries Department, Port Management Board and Local Administration actively participated. The workshop comprising presentations on '*Behaviour and fate of Oil spill, Booms and Skimmers*' were presented at CGDHQ-10 followed by practical demonstration of PR equipment (Booms and Skimmers) on subsequent day.

PR Workshop/ Mock drill at CGHDQ-10, Campbell Bay

MISCELLANEOUS

A. Portal-Purchase via GeM.

The purchase made through GeM portal during the month of Jul 24 was ₹ 37,53,52,333.20 (Rupees Thirty Seven Crore Fifty Three Lakh Fifty Two Thousand Three Hundred Thirty Three and Twenty Paise only).

B. Status of Public Grievances:-

No. of Public Grievances redressed during the month	No. of Public Grievances pending at the end of the month
–	16 (Under Process)

C. Visit of Principal Director Medical Services to RHQ (North East).

The Surg Cmde Diviya Gautam, VSM, Principal Director Medical Services (PDMS) visited Indian Coast Guard Region (North East) from 24 to 27 Jul 24. The aim of the visit was to oversee preparedness level for medical contingencies, SAR support and medical cover for ICG Personnel in the region.

Visit of Principal Director Medical Services to RHQ (North East)

D. Conduct of Annual Operational Sea Training Conference.

On 29 Jul 24, the maiden Annual Operational Sea Training Conference (AOSTC) was held at Visakhapatnam. The meeting was chaired by Deputy Director General (Sea Training). The Senior Officers across Coast Guard regions participated in the conference. The aim of the conference was to unify training standards across Indian Coast Guard.

Conduct of Annual Operational Sea Training Conference

E. Conduct of 7th Indian Coast Guard Subordinate Officers' Conclave-2024 at CGHQ, New Delhi.

The 7th Indian Coast Guard Subordinate Officers' Conclave-2024 was conducted at Coast Guard Headquarters, New Delhi from 01 to 02 Aug 24. The theme of the Conclave was "Towards an Inclusive Approach." The event explored holistic organizational growth, stress management, future ICG inductions & development under Karmayogi and tech integration.

Conduct of 7th Indian Coast Guard Subordinate Officers' Conclave-2024

F. Conduct of 11th District/ Station Commanders' & Works Conference at Kolkata.

Indian Coast Guard Regional Headquarters (North East) organized 11th District/Station Commanders' & Works Conference at Kolkata from 01 to 02 Aug 24. The aim of the conference was to review the performance matrix of the Region since last year, encompassing various aspects such as Maritime Security within the AoR, operational readiness, technical management, Human resource development and infrastructure augmentation.

Conduct of 11th District/ Station Commanders' & Works Conference at Kolkata

G. Conduct of Operational Safety Workshop at CG DHQ-11, Goa.

Indian Coast Guard Workup Team (West) conducted a two days Operational Safety Workshop for ICG personnel from 01 to 02 Aug 24 at Coast Guard District Headquarters No. 11, Goa. The session included brainstorming discussions aimed at promoting safety culture and adoption of Standard Operating Procedures onboard ships.

Conduct of Operational Safety Workshop at CG DHQ-11, Goa

H. Conduct of Cancer Screening and Awareness Camp at ICG DHQ-3, New Mangalore, Karnataka.

On 06 Aug 24, Coast Guard District Headquarters No. 3, Karnataka in coordination with CGWWA, KMC Hospital, Indian Cancer Society and Jewels Group conducted a Free Cancer Screening and Awareness camp at New Mangalore, Karnataka.

Conduct of Cancer Screening and Awareness Camp at New Mangalore

J. 15th HAL-ICG Progress Review Meet at Lucknow.

On 06 Aug 24, the 15th HAL-ICG Progress Review Meet (RPM) was conducted at HAL Accessories Complex, Lucknow, U.P. During the meet, quality, maintenance and design issues were deliberated and resolved with an objective of optimum exploitation of resources.

15th HAL-ICG Progress Review Meet at Lucknow

K. 19th IN-ICG Ops-Comm Working Group Meeting.

On 06 Aug 24, 19th IN-ICG Ops-Comm Working Group Meeting was held at Indian Coast Guard Headquarters, New Delhi. During the meeting, key issues of mutual interest to enhance interoperability and synergy were discussed between Indian Navy and Indian Coast Guard.

19th IN-ICG Ops-Comm Working Group Meeting

L. Conduct of Marine Police Training at Dahanu, Maharashtra.

On 07 Aug 24, Indian Coast Guard Station Dahanu conducted first Marine Police Training for the women constables from Palghar District of the Maharashtra Police. This initiative was aimed to empower and enhance the skills of police personnel in Maritime Security and Operations.

Conduct of Marine Police Training at Dahanu, Maharashtra

Coast Guard airlifts 14 crew members of stranded cargo ship

Yogesh Naik
yogesh.naik@hindustantimes.com

MUMBAI: In a daring operation, the Indian Coast Guard (ICG) on Friday airlifted 14 crew members of JSW Raigad, a bulk carrier vessel that drifted off the Alibag coast in Raigad district after its engine stopped functioning amid severe weather conditions.

The aid was organised by chief secretary of the state Sujata Saunik who coordinated with the rescue team on Thursday night. A chopper of the Coast Guard was engaged in the operation, which started around 9 am, and all the 14 crew members of the tugboat were safely evacuated. "In the early hours of July 26, despite adverse weather conditions which limited air operations, ICG launched a daring operation to evacuate the crew

from the stranded vessel. All 14 crew were successfully evacuated from the vessel by CG helicopter and safely disembarked at Alibag beach," the Coast Guard said.

At 1:27 pm on July 25, the Indian Coast Guard ship Sankalp received a distress call from JSW Raigad, a 121.6 m long bulk carrier with 14 Indian crew anchored off Alibag.

The vessel reported anchor dragging and loss of control. This was further worsened by flooding in the engine room. Due to the turbulent sea, the vessel ran aground on reefs about one nautical mile from Alibag. Raigad collector Kishan Jawale said the rescue operation could not have been done earlier as there was high tide. Some of the crew members said they had food and water onboard.

ओडिशा तट सीमा पर बढाई गई चौकसी

जागरण संवाददाता, भुवनेश्वर : बांग्लादेश के मौजूदा हालात को देखते हुए भारतीय तटरक्षक बल (आइसीजी) ने ओडिशा तट सीमा पर सतर्कता बढ़ा दी है। एहतियात के तौर पर आइसीजी के जहाज को बंगाल के हल्दिया और ओडिशा के पारादीप में तैनात रखा गया है। आइसीजी के एक वरिष्ठ अधिकारी के अनुसार अनधिकृत लोगों द्वारा भारतीय जलक्षेत्र में घुसने के किसी भी प्रयास को रोकने के लिए तटरक्षक बल को चौकन्ना रहने को कहा गया है। कुछ दिन पहले तक आइसीजी और बांग्लादेश तटरक्षक बल के बीच सौहार्दपूर्ण माहौल था।

तटरक्षक बल ने सुंदरवन क्षेत्र में तैनात किया होवरक्राफ्ट

राज्य ब्यूरो, जागरण • कोलकाता : भारत-बांग्लादेश सीमा पर बीएसएफ हाई अलर्ट पर है। भूमि के साथ-साथ जल सीमा क्षेत्रों में भी कड़ी निगरानी की जा रही है। बंगाल के दुर्गम सुंदरवन जल सीमा क्षेत्र में भारतीय तटरक्षक बल ने भी निगरानी बढ़ाने के लिए होवरक्राफ्ट को तैनात कर दिया है। होवरक्राफ्ट दक्षिण 24 परगना जिले में सुंदरवन के नदी व समुद्री जल सीमा क्षेत्र में 24 घंटे गश्त करेगा। होवरक्राफ्ट तटरक्षक बल का विशेष जहाज है, जो जमीन, कीचड़ व पानी में भी चलने में सक्षम है। बीएसएफ ने उत्तर बंगाल से गुवाहाटी फ्रंटियर तक कड़ी सुरक्षा की है। काफी संख्या में बांग्लादेशी भारत में घुसपैठ की कोशिश कर रहे हैं।

आग में झुलसा मछुआरा आईसीजी से बचाई जान

■ आग से जलकर गंभीर रूप से घायल हो गया था एक मछुआरा

नई दिल्ली, 7 अगस्त (नवोदय टाइम्स): समुद्र में मछली पकड़ने के दौरान सतर्कता न बरतने के चलते एक भारतीय मछुआरा (21 वर्ष) आग से जलकर गंभीर रूप से घायल हो गया। जिसकी चिकित्सा निष्कासों आईसीजी ने मंगलवार को सफलतापूर्वक संपन्न की।

दरअसल, चेन्नई के मत्स्य पालन विभाग के सहायक निदेशक ने आईसीजी को बताया कि काकीनाडा से 183 किमी पूर्व स्थित एक नौका 'सेंगलम्पन' में 12 मछुआरे सवार हैं। इनमें से एक गंभीर रूप से जलने के कारण घायल हो गया है।

आईसीजी ने तुरंत अपने जहाज समुद्र पहरदार को घटनास्थल की ओर खाना कर दिया। पहले मछुआरे को जहाज पर उतार दिया। हालत स्थिर होने के बाद आईसीजी जहाज सी-430 के जरिए अस्पताल भेजा गया।

Rajnath launches new state-of-the-art facilities for maritime security

STATESMAN NEWS SERVICE
NEW DELHI, 14 AUGUST

Defence Minister Rajnath Singh Sunday inaugurated the newly-constructed state-of-the-art Indian Coast Guard (ICG) Maritime Rescue Coordination Centre building in Chennai.

He also virtually launched the Regional Marine Pollution Response Centre, located at the Chennai Port premises, and the Coast Guard Air Enclave in Puducherry. The buildings have been established to ensure robust maritime security and provide efficient responses to emergencies, reinforcing the country's commitment to maritime safety and environmental protection.

The Maritime Rescue Coordination Centre aims to significantly enhance the coordination and effectiveness of maritime rescue operations for mariners & fishermen in distress at sea. It

underscores the government's resolve to protect lives and ensure a swift response in critical situations. The Centre is installed with latest equipment for distress monitoring through terrestrial & satellite systems and equipped with advanced communication systems for real-time management of alerts by highly-trained personnel of ICG, specialising in Search & Rescue procedures, with the rescue aircraft, ships and other facilities.

The Regional Marine Pollution Response Centre is the first of its kind facility

for coordinating response against marine pollution, particularly oil and chemical pollution, in waters adjoining the coastal states in the Indian Ocean Region.

The setting-up of this centre was spearheaded by Coast Guard Regional Headquarters East at its premises within Chennai Port.

It has an Emergency Response Centre which will be manned 24x7 by ICG personnel to monitor marine oil pollution incidents. The Centre will also impart training in Pollution response techniques to various organisations such as Ports, Oil Handling agencies, Government organisations and private participants. It will also train personnel from friendly countries in combating oil pollution at sea. The practical training will involve actual deployment of various oil handling equipment for maximum response to real time oil spill scenarios.

Rajnath Singh opens new Maritime Rescue Coordination Centre

The new MRCC facility will aim to facilitate enhanced coordination for rescue of mariners and fishermen in distress at sea, ensuring their safety

The Hindu Bureau,
CHENNAI

Defence Minister Rajnath Singh inaugurated a new Maritime Rescue Coordination Centre (MRCC) of the Coast Guard in Chennai on Sunday.

At the event, he also inaugurated two new Coast Guard units - the Regional Marine Pollution Response Centre (RMPRC) in Chennai and a Coast Guard Air Enclave in Puducherry - through video conferencing.

The new MRCC would facilitate enhanced coordination for rescue of mariners and fishermen in distress at sea, a release said. It has been installed with the latest equipment for distress monitoring through terrestrial and satellite systems, and has advanced communication systems to address marine pollution in the waters adjoining the coastal states in the Indian Ocean Region.

It would also serve as the nerve centre for coordinating all maritime rescue operations on the east coast of India and beyond, ensuring the safety and well-being of fishermen and mariners, the release added.

Safety Imperative: Defence Minister Rajnath Singh inaugurates the Centre of Excellence by the Indian Coast Guard contingent on the occasion of the inauguration of the new MRCC in Chennai on Sunday.

The RMPRC, based at the Chennai Port, is the first of its kind facility for coordinating response against marine pollution in the waters adjoining the coastal states in the Indian Ocean Region.

The Coast Guard Air Enclave in Puducherry would be equipped with Chetak and Advanced Light Helicopter Squadrons. Both

these helicopters are fully-geared up, and can carry out maritime patrol, search and rescue and other tasks as well as Coast Guard ships patrolling at sea, it said. Defence Minister Thiruvananthapuram Nitya Jayashankar Miran and Keralakshmi, Vice-Chief Minister, and other dignitaries were present on the occasion.

मित्र देशों को समुद्री प्रदूषण से निपटने का प्रशिक्षण दे रहा भारत

नई दिल्ली, 22 अगस्त (ब्यूरो) : समुद्र में तेल रिसाव व अन्य कारणों से होने वाले प्रदूषण से निपटने के लिए भारतीय तटरक्षक (आईसीजी) मित्र देशों को प्रशिक्षण प्रदान कर रहा है, जिसमें सात आसियान देशों के अधिकारी भाग ले रहे हैं।

आईसीजी के मुताबिक यह विश्व का पहला पाठ्यक्रम है जिसे अंतर्राष्ट्रीय समुद्री संगठन (आईएमओ), तेल तैयारी प्रतिक्रिया और सहयोग (ओपीआरसी) नाम से विकसित किया गया है। यह विशेष रूप से भारतीय महासागर क्षेत्र के तटीय जल को प्रभावित करने वाले तेल और खतरनाक और हानिकारक पदार्थों (एचएनएस) सहित समुद्री प्रदूषण की घटनाओं के लिए प्रतिक्रियाओं का समन्वय और बढ़ाने के लिए डिजाइन किया गया है।
